

# CURRENTLY CLOSED TO THE PUBLIC

All North Central Texas College (NCTC) campuses are currently closed to the public as we continue to closely track the coronavirus disease (COVID-19) and follow state health and safety guidelines.

NCTC faculty and staff are currently working remotely with all Spring classes and student services moved to an online or virtual format.

All events and activities previously scheduled on campus through April 30, 2020 are cancelled.

*For any questions or concerns,  
please contact us – we are here for you!*
