

NORTH CENTRAL TEXAS COLLEGE
 GAINESVILLE CORINTH FLOWER MOUND BOWIE GRAHAM

Please verify ALL required documents have been received by referencing the following checklist prior to meeting with an advisor on campus.

Please note the requirements will vary if you are a returning student to North Central Texas College.

✓ what you need to do!

- Must present photo ID to access any campus services.
- Include student ID (if applicable) in the box.
- Complete the Application for Admission. Applications are available through **applytexas.org**. (Note: Select NCTC Gainesville – you will chose your campus of attendance later in the application process).
- Provide the Admissions Office with official transcripts (scanned, faxed, or emailed transcripts are not considered official).
 - Dual credit students will need a high school transcript.
 - First-time college students submit high school transcript with graduation date or GED scores.
 - Transfer college students submit all college transcripts.
- Meet the requirement for bacterial meningitis. Before registering, students under the age of 22 must provide proof of immunization documentation. Visit **nctc.edu/registration-guide** for additional information.
- College 101 is available in-person or online. The College 101 videos and quiz are accessible at **nctc.edu/college101-orientation**. College 101 must be completed prior to placement testing.
- Complete testing requirements for the Texas Success Initiative (TSI) and submit scores to the Admissions Office. TSI involves assessing college readiness of all students (except those who are exempt) who enroll in public colleges in Texas. This assessment is designed to measure the ability of students – as indicated by their skills in reading, writing, and math – to do college-level course work, and will not affect your admission to NCTC. Visit **nctc.edu/registration-guide** for additional information.
- Meet with an advisor on campus to register for classes.
- Payment – Contact the NCTC Business Office to determine the right payment option for you.

completed!

Once you have completed all the steps, please bring this list along with a photo ID and any of the required documents referenced above to submit to any NCTC Admissions Office before meeting with an advisor.
