## AFFINITY GROUPS

Staff and faculty serve as advocates for NCTC's Affinity Groups for students who have specific barriers or systems they are navigating not only within college, but within life. Providing support and resources for identified groups such as Black/African American students, veterans and active military, single parents, adult learners, Latinx, LGBTQ+ and students who have experienced foster care and/or homelessness, enables us to connect with students who are deserving of equity and understanding, and engage through [Student Life](#) and the [NCTC app!](#)

## CAREER SERVICES CENTER

Academic advisors help students explore [majors and programs offered](#), how to take the best combination of classes to meet your goals, help you navigate [how and when to transfer](#), and guide students towards academic and personal success. At NCTC, you are assigned to a specific advisor or success coach based on your major or career interests. ## **EARLY ALERT AND CARES**

The NCTC Early Alert program assists students who are at risk of failing or withdrawing from a course. Faculty and staff may refer students through the Early Alert process at any point in the semester in an effort to provide appropriate intervention and access to support services. A student submitted as an Early Alert will be contacted by an [academic advisor or success coach](#) through text, phone, and/or via their NCTC e-mail address to discuss any current challenges as well as helpful resources and success strategies-we want our students to finish strong!

The [NCTC CARES Team](#) is concerned not only about our students' academic success, but also their emotional and physical well-being. As a student, you have the ability to report concerning behavior which could impact your own safety or the safety of another NCTC student, such as stalking, harassment, physical or emotional abuse, violent or threatening behavior, or self-harm. Visit the NCTC CARES site to also locate [campus and community resources](#). And as always, if you feel there is an immediate threat to your own safety or welfare (or to another student), please call 911 immediately.

## **EQUITY, DIVERSITY AND INCLUSION (EDI)**

EDI partners with the entire campus community to create, maintain and demonstrate NCTC's commitment to an equitable, diverse and inclusive learning environment where NCTC students succeed. NCTC defines equity as encompassing the practice of acknowledging individual differences and systemic disparities when developing new programs and resources for our campus community, which may sometimes challenge our own beliefs and assumptions, in order to ensure balanced educational opportunities toward completion. Everyone Included. Everyone Belongs. Everyone Valued. Everyone Inspired.

## **FINANCIAL AID**

The Office of Financial Aid provides students with information and guidance with applying for eligible types of financial assistance, such as the FAFSA (Free Application for Federal Student Aid). Students who have any types of exemptions or tuition waivers will also work with the Financial Aid Office to have these funds applied to their accounts. Additionally, the [Scholarship Office](#) provides local scholarship opportunities through an online application process, and tips on how to secure other types of scholarship awards which can help finance educational goals.
