Late work policy: Completing your assignments by deadlines is an integral part of the class. Doing so allows me to see your progress in the class and provide criticism necessary for you to succeed. You will have Assignments may be turned in up to two class periods late, for an automatic 10% deduction per each class period late. Works submitted by the original deadline are eligible to be resubmitted later to improve upon the original grade. Works submitted late are ineligible to be re-evaluated for a higher score. **SEE CANVAS FOR THE COMPLETE COURSE CALENDAR, OUTLINE, DETAILED DESCRIPTION OF GRADED WORK, AND OTHER RELATED MATERIAL.**

COURSE POLICIES

Academic Integrity Policy: Every member of the North Central Texas College community is expected to maintain the highest standards of academic integrity. Violations of the Student Code of Conduct will be reported to the Dean of Students' office for investigation. Students found responsible for academic dishonesty will receive a penalty ranging from a zero up to suspension. Review pages 45 through 54 in your Student Handbook here:

<http://nctc.site/documents/academics/student-handbook.pdf>

Attendance Policy: Attendance is integral to successfully completing Drawing I. It is critical that you attend all scheduled classes, as the professor will not assign a grade to a project they have never seen you work on in class. Additionally, there are some references made available to you online but demonstrations will be done in-person. The student is solely responsible for making up missed lessons and class work. The student's final letter grade will be reduced by 10% for each absence after 3 unexcused absences. Critiques and any accompanying graded activities during the critique cannot be made up when missed.

Withdrawal Policy

A student may withdraw from a course on or after the official date of record. It is the student's responsibility to initiate and complete a Withdrawal Request Form.

Last day to withdraw from the course with a "W" is: April 4, 2022

Student Learning Outcomes: After successful completion of this course the student will be able to: Describe visual subjects through the use of accurate and sensitive observation. Generate drawings that demonstrate descriptive, expressive, and conceptual approaches. Utilize varied materials and techniques with informed aesthetic and conceptual strategies. Demonstrate an appropriate level of professional practice, including safety, craft and presentation. Analyze and critique drawings verbally and/or in writing. Relate drawing to design, art history and contemporary artistic production.

Core Objectives: Drawing II is an exciting course where you can expect to improve on the technical skills gained in Drawing I, as well as establish facility with new mediums. We use a broad range of materials including charcoal, graphite, ink wash, pastel, collage and mixed media. As a group we will develop composition, illusion, mood and content. Hard work combined with these goals will result in the production of a several successful portfolio pieces. While technical skill is still taught, students are evaluated heavily on personal growth and risk taking, particularly during the second half of the semester.

COLLEGE POLICIES

STUDENT HANDBOOK

Students are expected to follow all rules and regulations found in the Student Handbook.

ADA STATEMENT

NCTC will adhere to all applicable federal, state and local laws, regulations and guidelines with respect to providing reasonable accommodations to afford equal educational opportunity. It is the student's responsibility to contact the Office for Students with Disabilities to arrange appropriate accommodations. See the OSD Syllabus Addendum.

STUDENT SERVICES

NCTC provides a multitude of services and resources to support students. See the Student Services Syllabus Addendum for a listing of those departments and links to their sites.

COVID-19 Specific Syllabi Statements Spring 2022

Potential Conversion of Onsite Classes to Online/Remote Format: North Central Texas College students should be aware that in the event of a college closure due to COVID-19 or other health-related crisis, onsite classes will be converted to an online/remote format. Students should plan ahead to ensure they have access to the computer equipment (either PC, MAC, or tablet), webcam, and internet connectivity to continue their classes in an online/remote format. Please read all your official North Central Texas College student emails as the transition from onsite to online/remote might require a reorganization in your personal situation. Students will be granted a 72-hour transition and grace period. Online classes will continue as scheduled without disruption. You are encouraged to wear a mask and stay safe. Contact your instructor for further information and direction as the situation arises. These policies and procedures were updated on July 27, 2021, and are subject to change as conditions change.

Statement Regarding Face Coverings: Per the North Central Texas College guidance on face coverings on campus, in the instructional setting, faculty, and students are not required to wear face coverings, such as masks or face shields. In May, Texas Governor Gregg Abbott released an Executive Order prohibiting Government entities

from mandating the use of masks. As a political subdivision of the State of Texas, NCTC will follow the Governor's Executive Order for Government entities. Effective immediately, NCTC is no longer mandating masks while on campus. This order does not mean that you cannot choose to wear a mask; rather, it is no longer allowed to be mandated. These policies and procedures were updated on May 19, 2021, and are subject to change.

Return to Standard Attendance Protocol for Face-to-Face Meetings: In Spring 2020, we faced an unprecedented situation in which all of us had to be flexible and make prudent decisions in the best interest of our families, our campus, and our community. In light of this, North Central Texas College is temporarily establishing the requirement that faculty keep records of student attendance for face-to-face course meetings as well as a documented seating chart. In addition, students who are sick or need to quarantine should not attend classes. Students will not be required to provide formal documentation from a health care provider and will not be penalized for COVID-19 related absences when proper notification to campus health officials is made in accordance with the guidelines stated below.

Faculty will:

- Notify students about important course information and delivery changes through Canvas and campus email.

Students should:

- Provide notification to campus officials if they have tested positive for COVID-19 or have to quarantine so we can confirm reported absence with instructors, monitor, and assist the campus community.
- Notify instructors in advance of the absence.
- Connect with that class through Webex if the class session is being transmitted in a hybrid fashion.
- Keep up with and/or make up missed classwork or assignments.
- Submit assignments digitally through Canvas or other means as announced by your instructor.
- Work with their instructors to reschedule exams, labs, and other critical academic activities described in the course syllabus.
- Check Canvas and campus email daily to receive important announcements pertaining to the course.

During the spring 2022 semester, faculty with face-to-face meetings will establish assigned seating/workstations to facilitate roll-taking and contact tracing if necessary. Additionally, we ask all College community members to be attentive to their health and safeguard others by following the CDC's guideline to "stay home when you are sick." You should stay home if you have symptoms. More information on what to do if you are sick is available at the CDC's website.
