

Dependent Tuition Scholarship

For NCTC FT Faculty/Staff Dependents

Eligibility:

One of the great benefits of working at North Central Texas College is that the legal dependents of full-time employees can receive tuition benefits. Employees must be full-time by the Official Date of Record for the requested semester. Legal dependent must be shown as claimed on the employee's income tax return.

Guidelines for Employees to receive tuition benefits:

- The institution will exempt tuition, general use fees, and out-of-district fees.
- All other fees/charges are the sole responsibility of the employee or dependent student.
- Dependent must complete and make a grade of "C" or better. For each course in which a dependent does not earn a grade of "C" or better, or withdrawals "W", the employee must reimburse the college for the amount of tuition and associated fees.
 - This bill must be paid before subsequent enrollment will be authorized.
- Courses must be applicable to a filed degree plan.
- All other academic policies apply
