Which Catalog Year to Use: Students may graduate under any approved degree plan from: (1) the catalog in effect at the time of first enrollment at North Central Texas College, (2) the current catalog, or (3) a subsequent catalog in effect during enrollment as long as the program of study is still offered. In addition to this, the catalog may not be more than 5 years old and enrollment must have occurred during that year and earned college credit for work completed. The options presented here apply provided the student meets the requirements not later than five years from the date of the catalog selected.
